District Office

Present: Jim Overby, Rev. Dennis Lumos, Jerry McClanahan, Rev. Michael Kelppe, Lois McRill and Gene King. Absent: John Spence, Jack Byrd, Sherry Baker.

Second meeting with the Gordonville: Zion UMC committee consisting of Rev. Ann Mowery, Chairman, Glenn Neumeyer, and Gene King presented architectural plans for file with a few minor changes as presented August 20, 2003. These plans and objectives have been in the making since July 2001. They have increased the budget to 1.2 million with a realistic figure of parishioner commitment of \$850 thousand.

Figures have proven in the Southeast District of the United Methodist Church that six recent new additions to churches have more money raised over commitment when the project is finished.

Motion by Rev. Denny Lumos, seconded by James Overby, for approval of plans as presented, passed unanimously, with Gene King abstaining.
Letter to be drafted tomorrow.

Other business addressed for file and approval as follows.

Respectfully submitted,
