

SOUTHEAST DISTRICT YOUTH
LEADERS LUNCHEON

November 8, 2005

The Southeast district youth leaders recently met to discuss plans for the District lock in February of 2006. Churches represented were: Grace UMC in Cape Girardeau, 1st UMC of Kennett, Dexter First UMC and Sikeston First UMC.

It was decided to plan the lock in around the 30 hour famine in February. Churches can sign up with 30 Hour Famine and sign up with the district. The Lock in will be kicked off with a meal, followed by worship by local youth bands, then the 30 hour famine will begin as youth head over to the rec center for the usual activities that take place there. For more information about the lock in contact Chris Wheeler at 1st UMC of Kennett at 573-888-5391

There was also discussion around chartering a bus to take the district youth to WOW in January. For more information contact Jenni Brand at Dexter UMC. 573-624-3344

We are still looking for a new district coordinator; if anyone is interested please contact the district office at 573-334-8723.
