

**Meeting of the Southeast District Trustees/
Church Location and Building Team
September 22, 2001, 11 AM**

Present: Denny Lumos
 Jim Overby
 Brent Mustoe
 Jerry McClanahan

- 1) Problem of what to do with leaky bathtubs and showers in our District parsonage, and how to proceed. The consensus was to repair and get the leaks stopped rather than remodeling at this point. Jerry McClanahan to hire someone to do the jobs.

- 2) Discussion of need to repair or replace parsonage for Wesley House Campus Ministers. The Trustees have a commitment of a grant of \$25,000 from the District Mission and Church Extension Society. The Wesley Trustees believe if they had a loan for another \$25,000 from us, they could find an up to date parsonage.

The motion was made by Jim Overby, and seconded by Jerry McClanahan to extend a loan from our savings.

- 3) October 20, 2001 is the date set for a meeting at Dexter, First UMC. This meeting will be dealing with Holcomb UMC, La Croix UMC, and Perryville UMC.

Respectfully submitted,

Jerry McClanahan
